

My Unique Commute on Puget Sound

Mackenzie Walker

I commute to school by ferry,
From Vashon Island each day.
I commute to school by ferry,
To be part of Tacoma Schools.
I commute to school by ferry,
And get to see Orcas not stop signs,
I commute to school by ferry,
Most days people are fishing
and so are the seals,
I commute to school by ferry,
With Mt. Rainier in the distance,
I commute to school by ferry,
And some days I worry,
I commute to school by ferry,
My heart sinks when I see garbage
along the shoreline,
I commute to school by ferry,
The Puget Sound is my freeway,
Please keep it clean and safe for me.
