

Ocean

Jenovic Luzolo

Ocean is a God work and is wonders and beautiful , ocean is where you can see a beauty of creature and nature, ocean is a place where can inspired you , ocean is a place where we can find different kind of sea food , like fishes , shrimps , for sure ocean is a power sea , ocean can cause catastrophe and death .ocean are very powerful an energy, that help us with our daily basic water and electricity.

Love been close to ocean because I can breathe the good and fresh air, you can hear the voice of air and water, ocean have beautiful color like the sky color.

Most went it come time of meditation about something ocean is a best and quiet place, ocean is our special gift from God.
