

Date: ____/____/____

Our shared commitment to protect the Puget Sound/Salish Sea

Dear _____,
title elected official

My name is _____ and I live in _____. The health of our communities and shared water-
name hometown
ways are at risk. Toxic pollution, fossil fuel infrastructure, ocean acidification, and degraded habitat threaten salmon, orca, and people alike. I write as a _____ constituent to ask for your commitment to the
adjective
protection and recovery of Puget Sound.

Protecting Puget Sound matters to me because _____
_____. Some of my favorite places on Salish Sea include _____
place
and _____, and I want future generations to safely enjoy them too. The Salish Sea is so beautiful
place
and _____, and is home to incredible yet endangered species like the Southern Resident Orca, the
adjective
_____ and the _____. Only 72 orcas remain today, and, despite two decades of effort,
type of bird type of fish
Salish Sea salmon recovery is falling short. Puget Sound, the largest estuary by volume in the contiguous United States, is in need of our help—that makes me feel _____, and makes me want to _____.
adjective verb

What are you willing to do to protect the Puget Sound? I encourage you to support _____
_____ because I know that _____
_____ is a top priority for my community.

I look forward to your reply with your personal commitment to _____, for a safer Salish Sea and cleaner
verb
water for all.

Thank you,
