Our shared commitment to protect the Puget Sound/Salish Sea

Dear _____,
title elected official

My name is _____ and I live in _____. The health of our communities and shared waterways are at risk. Toxic pollution, fossil fuel infrastructure, ocean acidification, and degraded habitat threaten salmon, orca, and people alike. I write as a _____ constituent to ask for your commitment to the protection and recovery of Puget Sound.
name hometown adjective

Protecting Puget Sound matters to me because _____.
_____. Some of my favorite places on Salish Sea include _____
and _____, and I want future generations to safely enjoy them too. The Salish Sea is so beautiful
and _____, and is home to incredible yet endangered species like the Southern Resident Orca, the
_____ and the _____. Only 72 orcas remain today, and, despite two decades of effort,
Salish Sea salmon recovery is falling short. Puget Sound, the largest estuary by volume in the contiguous United States, is in need of our help—that makes me feel _____, and makes me want to _____.
place adjective type of bird type of fish adjective verb

What are you willing to do to protect the Puget Sound? I encourage you to support _____
_____ because I know that _____
_____ is a top priority for my community.

I look forward to your reply with your personal commitment to _____, for a safer Salish Sea and cleaner water for all.
